

# THE WEEK IN PICTURES!

"Where did they put the instructions for this thing?"

"Ha – easier then putting up a tent at OppiKoppil!"

New Years in South Africa was all about hot weather, gorgeous boys in boardies, and tanning on the beach. But for Nicola Breytenbach and her seven-month-old daughter, Evangeline Steiner, last year's New York festive season was filled with some seriously miserable weather. Not that the model let the grey skies and chilly winds keep her cooped up indoors... Wrapped up snugly, the twosome hit the streets of NYC for some fresh air. And just like fellow new moms Zuraida Jardine and Vanessa Carreira, Nicola's already back to her gorgeous best! Come on, girls... it's time to share your secret! It's only fair!
