

Big drama at the Style Awards!

CH-CH-CHANGES
Hmmm, was there a special on dresses? Or did Nicola just battle to pick a colour?

IT WAS STYLE AWARDS time and there was so much going on at this party that we just *bad* to fill you in on all the celeb gossip! So, who got horribly drunk? Who rocked up in a fashion disaster, and which couple *sommer* had a huge fight in front of everyone? It was entertaining, to say the very least!

Jenna Edkins, doesn't make for a great date. Fans kept hassling him – leaving Jen open for the kill. Os, keep an eye on her, we saw more than one guy checking her out!

That must've hurt!

Poor Claudia Henkel met with an unfortunate incident. Some idiot sprayed champers all over, and she was

HAIR-RAISING!
Liesel van der Westhuizen and Tamara Dey went for OTT hair. Stylish? Hmmm...

Trouble in paradise? Roland Schoeman and his squeeze Genevieve Morton made a rare appearance. But it wasn't exactly a romantic night out: they had a go at each other in full view of an entire table of guests! You could hear them from across the room! Roland then left the function, and instead of spending the night at the Michelangelo as planned, the pair drove home to Pretoria!

Nicole Fox was back in town, and was overheard saying how much she misses home since leaving for Nigeria with fiancé Ramzi. "There's no making up for good friends. I miss everyone here. At least I know people at these parties!" We'll be happy to have you back...

Oscar Pistorius, who brought his beautiful *meisie*

splashed. Rushing to get to a loo to clean up, she tumbled down the stairs! No bruises, we hope...

Get a ring already!

Elana Afrika and her man Gilan Gork were seen fooling around... and sticking rings on each other's engagement fingers! "He's so cute, isn't he?" gushed Elana.

Christina Storm's man Munro du Toit arrived shockingly late, but was full of smiles, and told us how they met at last year's awards. "Her date stood her up, and I was here, and *ja*, a year later here we are!" So sweet!

The fashion

Most Stylish Model Of The Year winner Lee-Ann Liebenberg stunned in her Poleci dress. Her date was

mom Adrienne, who partied until way past 1am!

The self-confessed Queen of Bling rocked up in Louis Vuitton. We mean Khanyi Mbau, of course! To the few raised eyebrows, she hit back, saying, "I made sure my little girl was asleep before I left – and I'm home before she wakes up. Don't judge me!"

Guest of honour Nicola Breytenbach changed her dress three times! She clearly missed hubby Ben Steiner: Nic looked bored and was glued to her mobile all night.

One too many, eh?

Amor Vittone was leaning heavily on Joost's arm after, er, one cocktail too many... We'll give it to Amor though, she still looked graceful!

Final round-up

The MC, *The Showbiz Report's* Nicky Greenwall, entertained us by asking each winner what they wore to their matric dance. But BFF Louise Carver spilled the beans on Nicky's outfit instead! "She was barely clothed in some kind of see-through ensemble!"

We caught up with a slim-looking Cindy Nell, who says her trim bod is all thanks to *Strictly Come Dancing*. "I'm more toned than ever before – and just in time for my wedding!"

Finally, we ran into Princes Will and Harry's 18-year-old cousin, Kitty Spencer. She's cool – we want to see more of her! ■

TEARY EYED
Poor Claudia Henkel put on a brave face after her nasty fall!

LEE-ANN'S MA!
So that's where Miss Lee-Ann gets her wild party-animal streak...

DRAMA & SPORT!
While Roland and Genevieve had, er, words, Oscar risked leaving Jenna alone...

GOTCHA!
Oh, yes – we did see you, Elana! So, when is the big date?

LOVED UP!
Gorgeous Cindy Nel is about to get hitched – can you tell?
