### Celeb crush

SHE'S used to rubbing shoulders with the Hollywood elite but local lass **NICOLA**

**BREYTENBACH** has

been harbouring a secret celebrity crush. The model, who's engaged to US businessman Ben Steiner, has adored tennis ace **ROGER FEDERER** for years and was over the moon when she finally got to meet him. "I've always told Ben he's the man for me but if Roger Federer asked me out on a date I wouldn't hesitate," says Nicola, who stood in a long queue to get the star's autograph and picture during the recent US Open in New York. - JARED ORLIN
