THE BIG THREE-OH!

NICOLA BREYTENBACH sure knows how to party in style. She recently celebrated her 30th birthday with 120 guests at a R30-million villa she rented for her holiday in Bantry Bay, Cape Town, with fiancé BEN STEINER. Guests, who included fellow model MINKI VISSER and ex-beauty queen MICHELLE McLEAN, donned vintage garb in line with the '20s theme. Nicola went all out in a restored vintage flapper dress and headgear which she bought specially for the occasion. "I didn't really want to say goodbye to my twenties," she says. "But it's fine being 30. I won't change. In fact the older I get the younger I feel. The party did end at 6 am after all!" Nicola and Ben are getting married in St Tropez in June. - JARED ORLIN
